Read the following:-

G.O. No. 2371 Revenue dated 2-10-1940.
From the Collector of South Kanara, No. Ref.C.2866/46-B1 dated 22-4-1946:-

Ref:- B.P. Ms. 2786 dated 10-10-1940.
(2) Board's L.Dis.No.A.2034/45 dated 11-7-1945.

The Secretary, Coondapur High School building extension committee requests the free grant of one wild jack tree standing in S.No. 112 of Voderahobli village, Coondapur taluk registered in the accounts as 'Road Poramboke' for the purpose of extending the District Board High School building at Coondapur. According to the orders cited above, trees standing on road margins can be granted free of seigniorage value subject to the conditions specified in them. In this case, although the wild jack tree is reported to form part of a regular line of avenue trees, it is said to be decaying and its removal will not materially affect shade for pedestrians. The President, District Board,

South Kanara consents to the free grant of this tree.

2. The tree measures 108" x 15" and its seigniorage value comes to Rs. 56-15-0 which is beyond my powers of sanction. I therefore request that the Board may be pleased to accord sanction for the free grant of the wild jack tree, to the Secretary, Coondapur High School, building extension committee. The connected records of enquiry are enclosed for reference and return.

Note:- The conditions for the free grant of trees from road margins as set forth in Go No 2371 Rev dated 2.10.40, have been satisfied in this case. The seigniorage value of the tree is reported as Rs 101-4-0 by the Tahsildar but in the Collr's report it is stated as Rs 56-15-0. As the tree is to be granted free of cost it does not appear necessary to ask the Bd to rectify the discrepancy in the value. Subject to orders a draft order is submitted for approval EPH, LA and Fin may see for acceptance.
